SNOW DAYS

We know we need more snow and should be hoping for Snow Days... just remember there is no HVCC on Snow Days!

Happy March!

You may or may not know me, but I have been working at High Valley for about a year and a half now. I am the OST Coordinator - that means it is my job to coordinate after school activities, Friday trips, help with sports, and just about anything else that we offer here at HVCC.

I graduated from Center, have a 4 year old son and a 2 year old daughter, love caffeine and spicy things, speak fluent Spanish, learned how to swim so I could support HVCC's swim program, shop every chance I get, can't wait to travel, and I think summer is the best season. I was so excited when I was hired here because it gives me experience and has helped me to decide what I want to get my degree in.

I have to say, planning trips and activities is the best part of this job because I can just picture how much fun all the kids will have. For Fabulous Fridays we have some fun trips planned. We will be going swimming, enjoying a workshop with Creede Repertory Theatre, and exploring the Colorado Gator Farm.

I've always enjoyed sports and it was amazing watching the kiddos play basketball. They all did such a great job and learned so much! Now I'm excited for soccer. Registrations are now open to all kids K to 7.

It amazes me when I see the relationships we can build with the kiddos. We have kids rushing to finish their dinner just to go outside and yell for the staff to play a game of soccer or basketball with them.

We would love more people and kids to be part of HVCC...come talk to us if you would like to volunteer or attend!
